NEWS RELEASE

**PRIVATAIR REPORTS THE ADDITON OF SEVEN AIRCRAFT TO THE FLEET IN THE  
FIRST QUARTER OF 2006**

International business aviation specialist PrivatAir announced today that it had continued with solid expansion in the first quarter of 2006, adding seven aircraft to the charter and managed fleet of its US subsidiary PrivatAir Inc. These aircraft include a Global 5000 and Learjet 55 based in West Palm Beach, Florida, two Gulfstream V's based in Miami, Florida, a Legacy based in Hillsboro, Oregon, and two Beech 1900's based in Binghamton, New York and Hickory, North Carolina.

These seven aircraft, representative of the full range of aircraft currently available on the charter market, add to the diversity of the fleet and the wide range of geographic reach in the US. Furthermore, a large part of these aircraft are from repeat customers. Herb Knight, PrivatAir's Senior Vice President of Aircraft Sales and Management said, "We are especially pleased that there are several current clients which have come to us to with additional aircraft – furthermore, our strong market presence continues to draw further partners. There is no major aircraft type which is not represented in our US fleet."

PrivatAir's fleet continues to grow and become more diverse and the company plans on increasing their service offerings to accommodate each client's specialized needs.
